

origins 2019

an ai created art collection

AIGAN

## ORIGINS-2019

Tuesday, January 1, 2019 to Friday, March 1, 2019

origins 2019 is one of the first art collections that is entirely created by an artificial neural network without much human interference

the network that produced these works has been trained – inspired – from artworks of over 20 centuries

the purpose of this project is to explore the capabilities of ai to create genuine masterpieces
